Message from CEO-

Welcome to S&T Enterprise. We hope that the information provided here will leave you with a positive impression of our company and the broad range of services, we offer in the markets that we serve.

I had to change my way of thinking, in order to meet the challenges of the real world and meet quality standards, strong support to customers to meet their achievement on time.

In personally, my career in Job with Huawei Technologies Bangladesh Ltd. Where I served 16 years as Senior Manager Taxation. I learned a lot of Taxation matters in practically, theoretically and best compliance practice in Taxation. Implemented new project ITC (Integrated Tax Compliance) Project.

Besides that I involved myself in Construction Equipment solutions from 2011 in many different mega projects in Bangladesh. Which journey was not so easy. It's a long journey and got experience from difficult situation.

S&T contributes in many mega projects in Bangladesh e.g. Bridge, Roads, Railway, Airport, Power Plant, Deep Sea Port etc. We improve the supply chain management process, increase operational efficiencies and build environments that foster creativity. Our commitment to sustainable construction helps improve the communities in which we build. The structures we create provide our clients with more than just buildings – we deliver environments that help them achieve their goals.

DO HARD WORK FOR GROWING BY REFLECTION

S&T was involved in many mega projects in Bangladesh:-

-  Padma Bridge including Padma Railway Projects,
-  Jamuna River Railway 2nd Bridge,
-  Dhaka Hazrat Shah Jalal International Airport 3 terminal,
-  Cox's Bazar Airport Runway Extension,
-  Cox's Bazar Railway Project,
-  Summit Meghna Power Plant,
-  Rampal Power Plant.
-  Matharbari Deep Sea Port Project,
-  Dhaka Bypass Expressway Highway under The PPP contract of The Project has been signed between THE ROADS AND HIGHWAYS DEPARTMENT (RHD) AND BRIDGES AND CONSORTIUM. Contractor- SRBG
-  Roads & Highway Department of Bangladesh (RHD), SASEC-2, Road Connectivity Project-2, Package-7, Contractor- Abdul Monem Ltd.
-  Dhaka-Sylhet 6 lane highway project worked with HEGO-Mir Akhter JV/HO/RHD-SDSCRIP-DS-5/DSC/SO/2024-66

S&T is not only work with construction equipment, also provide Logistic & Transportation services, supply works besides that now ready to serve Tax consultancy support and advisory services.

Our Vision:

To lead the construction industry through consistent and ethical practices that empower passionate employees to achieve excellence.

Tight budget or time table? Complex site? We'll take it on – start to finish. Many of our greatest successes have come when others have been unable to deliver on a promise. We thrive on challenge.

TAXATION COMPLIANCE SERVICES

I had worked in Huawei Technologies Bangladesh Ltd. Since 2007, from the beginning I worked on Taxation Dept. Worked as Senior Tax Manager till Feb'2023, 16 years worked in Tax & VAT department.

Tax & VAT Compliance responsibility:

Income Tax Compliance are as follows;

- a. Corporate Income Tax return submission
- b. Quarterly Advance Income Tax return submission
- c. Supplier WHT deduction compliance
- d. Tax planning
- e. Tax Forecast and budgeting.
- f. Attending with customers and suppliers for Tax & VAT Compliance.

VAT Compliance are follows;

- a. Monthly VAT return submission through online and hard copy, also in Huawei internal platform Etax+.
- b. Supplier WHVAT deduction compliance.
- c. Close monitor with A/R department to ensure the collection of WHT and VAT Certificate to make sure VAT assets utilization.

❖ **I have implemented ITC (Integrated Tax Compliance) project with cooperation from Huawei Tax Management team and IT dept. Which is included with CIT (Corporate Income Tax), WHT (Withhold Tax), VAT (Value Added Tax) & PE (Permanent Establishment) Risk.**

❖ **I have an experience to work with Customs Authority.**

Training in Abroad:

❖ Attending workshop on global digitalization, International Taxation policy, Tax Audit Risk, Tax risk mitigation plan etc. at Shenzhen, Malaysia and Thailand conducting by big four Tax Consultant firms e.g. KPMG, EY, PwC & Deloitte and organized by Huawei Tax Department.

❖ **Reviewing of Local Income Tax and VAT rules:** Reviewing the changes of Income Tax and VAT laws, which is published by NBR and conducting training based on changes of Tax & VAT Rules for Huawei internal dept. e.g. Procurement, Sales & Marketing, Admin & Supply chain.

THANK YOU
